SUMMARY

Just a motivated 26 year old Nursing graduate whose work in healthcare led me to discover a deep passion for problem-solving. Overtime a spark of curiosity drew me toward programming and now, it's a creative adventure where i blend care, logic, and creativity in every line of code.

WORK EXPERIENCE

Nurse- General Hospital of Ioannina 02/2025 – Present
Currently working as a nurse in the ICU and ER where im actively completing my nursing specialization in emergency and intensive care.

Primary Comittee office - Secretary/Administrative employee 09/2024 – 02/2025
As a secretary, i managed and coordinated tasks, handled invoices, used Excel for data tracking and collaborate with specialists to ensure all school operations ran smoothly.

Barista/Cashier- Hashtag cafe 12/2023 – 09/2024
In this role as a barista and a cashier, i engaged daily with customers, developing my communication and interpersonal skills, multitasking and customer service skills.

Barista - Say Yes cafe 07/2022 – 11/2022
While i was working as a barista, i delivered customer service, prepared both coffee and cocktails, managed financial transactions all while coordinating with the team.

Food Service Assistant- Foodfellas Restaurant 04/2021 – 12/2021
In this position i was in charge of managing supplies, ensuring inventory levels were maintained, while also assisting with ingredient preparation , cleanliness, dishwashing and overall kitchen organization.

Nursing Internship- University Hospital of Ioannina 06/2021 – 11/2021

Food Service Employee - Mr Massa 09/2020 – 01/2021
Worked as a barista, including coffee , sandwiches and crepes preparation, delivering customer service, storage organization, ensuring inventory levels where tracked, and managed financial transactions.
